What our Trainees Say

Ashwini Krishnan

Hi, I took training on Oracle Fusion Financials here. It's really been a wonderful feeling having associated myself with Tech Leads IT For Fusion training. The faculty here is very keen on making his students gaining knowledge on real-time Implementation. Here the Trainers having real-time Experience. They are very responsive towards student's queries & delivers the training with complete perfection.

I am very Much satisfied with the Trainers Explanation and Facilities provided by the institute. actually I am new to Oracle, I don't have basic knowledge also but the Trainer given very good support and guidance.I can suggest this is the best place to learn Oracle Fusion Trainings.

Matheen md

Thank You for the sessions that helped me gaining knowledge in Oracle Fusion Financial training. Trainer's experience helped me to get the detailed information regarding the key concepts and challenging tasks in real-time. Thanks Tech Leads IT once again.

sk sharmila

Hi, I took training on Oracle Cloud Financials here the Trainer teaching was excellent. We are satisfied with his teaching in Financials Modules. even other Courses will also learn in this institute. Because here the Trainers having real-time Experience. actually, I am new to learn this course, I don't have basic knowledge also but the Trainer given very good guidance and support. Trainer interacts with every student and clarifying the doubts.

Sai Gopi

My self Sai Gopi I took Training on Fusion Financials. Trainer has helped me a lot towards Gaining knowledge on Fusion Financials Modules. Tech Leads is Good Training Institute Here the trainer interacts with every student and clarifying the doubts. They took practice sessions also this will help us to know our mistakes. Fusion Application Access is also good. so everyone who wants to learn Oracle Fusion Training better to join in Tech Leads IT. Once again thanks Tech Leads IT Team.
